

Chrysalis Montessori Playgroup Information Sheet

The Chrysalis Montessori Playgroup is designed for children from 18 months to 3½ years old. Each session has up to 13 children with each child accompanied by a parent or carer.

Parents and children are exposed to the Montessori Philosophy of learning in a fun and loving way. The children will do practical life activities and Montessori 'jobs' as well as craft, singing and other activities. The aim of the sessions is to provide a calm, secure learning place to allow the children to become independent, aware of others and ready to move on to further schooling.

Fees

- \$17.00 per session – payable per term.
(Second child is \$15.00 per session)
- Invoice will be issued a few weeks after commencement
